SECOND SECTION

GENERAL FEATURES	SEASON	PAGE
The magazine talks with John Verardo	Summer	6
Sophia Ashley: Federal engineer of the year	Summer	22
Questions and answers with Captain Robert E. Quinn	Winter	2
Make it simple; make it count	Winter	6
The Navy salutes: Dr. Edward S. Hope — first Black CEC officer	Winter	16
The Navy salutes: LCDR. Samuel S. Williams — a modern-day CEC officer	Winter	17
Where is Wallops Island?	Spring	28

CONTRACT ADMINISTRATION		
Quality assurance control: A continuous effort for the responsible engineer	Summer	4
REDICHECK revisited	Summer	8
Proprietary specification: A popular current issue	Summer	27
Needed — reliable quality control systems!	Fall	5

ENERGY		
Energy reduction through third-party contracting	Fall	2

ENVIRONMENTAL		
Landslide	Summer	2
Environmental protection at Kings Bay	Summer	18
Shaky ground at Naples	Summer	30
Of Bambi, bombs, and birdwatchers	Fall	7
Green flag of ecology flies in Pacific	Winter	13
Prioritizing asbestos removal using a computer expert system	Spring	13
Working environment important in determining productivity	Spring	17

FACILITY CONSTRUCTION		
Unique "ground breaking" in Somalia	Summer	26
A methodology for determining incrementation in minor construction	Spring	2
Navy "quits" on Diego Garcia	Spring	8

FACILITY PLANNING/DESIGN		
Planning: There's a better way to do it!	Fall	8
Program for special project programming	Fall	12

MANAGEMENT		
Good communications — the key to success	Winter	14
Military personnel: Closing the gap between expectations and available resources	Spring	5
The CEC-Can it be changed?	Spring	10
Change: It must be accepted, encouraged...yes, even expected	Spring	31

MILITARY READINESS		
In search of mobilization-readiness excellence	Spring	18

PUBLIC WORKS		
A better Navy through model installations	Winter	11
Antarctica assignment — it's not just a job!	Winter	19
BEST is best for public works functions	Winter	20
Facilities management system: History, shortcomings, and recent changes	Winter	23

RESEARCH/DEVELOPMENT		
GAC: A new approach for improving management of Navy lands	Spring	21

SEABEE FEATURES		
Waterfront support equipment systems	Summer	14
From hardhats to shovels . . . to combat helmets and rifles	Summer	24
The art of anti-terrorist engineering	Fall	18
A historic deployment for NMCB-4	Fall	19
Shelter selection aided by ABSEP	Fall	20
RNCF = Training, sacrifice, and dedication	Fall	21
New container system introduced	Fall	22
Seabee teams like small "peace corps"	Fall	23
SAMM: Computers for the Seabees	Fall	24
ACBs — New taskings and bright future	Fall	26
Seabee readiness ensured	Fall	31

ADVICE OF COUNSEL		
Revelle, Evan	Fall	14

COMMANDER'S AWARD		
Commander's award	Spring	25

INDEX		
Index 1986	Summer	31

NAVFAC REPORT		
Situation report	Summer	13
	Fall	16
	Winter	26
	Spring	30

NEWS WORTH REVIEWING		
	Fall	15
	Spring	16

READER'S COMMENTS/QUESTIONS		
	Fall	10
	Winter	27
	Spring	32

READER'S SURVEY		
Reader's survey results	Summer	16

SCHOOLS/TRAINING		
Basic class 178 graduated on June 6th	Summer	28
63 complete basic training	Fall	29
61 naval officers finish basic training	Winter	7
Instructor in the spotlight	Spring	7
20 basic graduates "take the field"	Spring	14

SPEAKING FROM TOPSIDE		
Fraser, Cam, RADM., CEC, USN	Summer	20
Lewis, Herbert H., CAPT., CEC, USN	Fall	4
Ives, Jon R., RADM., CEC, USN	Winter	9
Bottoroff, David E., RADM., CEC, USN	Spring	12
